COMPANY INFORMATION

PEZCRUP is highly focused on processing and exporting the best fresh premium quality frozen WILD SHRIMP.

About us:

Pezcrup is an Ecuadorian company that has been working with wild shrimp and fish for more than 20 years. PEZCRUP supports the socioeconomic development of the coast region of Ecuador. This has been the main driver o scale and invest in this business for his owner, Mr. German Alcivar.

Environmental responsibility:

Based on our strict policy of control and principles of environmental preservation, PEZCRUP has achieved high standards that guarantee long- term sustainability.

Quality:

At PEZCRUP, quality always comes first. We carefully oversee every stage of our production process, as well as that of our suppliers, to ensure product freshness and premium quality. This commitment has enabled us to build strong, quality-driven relationships and grow together with our suppliers.
